

## Call for ACEC-BC Committee Members!

ASSOCIATION OF CONSULTING  
ENGINEERING COMPANIES  
BRITISH COLUMBIA

### ACEC-BC is looking for Committee member volunteers and we need your help!

Today, over 300 ACEC-BC members serve as professional volunteers on our Board, Committees, and as appointees to partner organizations. These members know that we achieve more when we work together to build a community of common interests.

That's the hallmark of membership with ACEC-BC – We're Better Together.

#### Why should you join an ACEC-BC Committee?

Volunteering with ACEC-BC supports our Association advocacy, offers the opportunity to develop skills, and builds profile for member firms and individuals. Committee members have influence and collaborate with partners which includes municipalities, regulators, and other associations to advance the business of consulting engineering in BC.

#### Who can apply for ACEC-BC Committee positions?

All Committees are appointed by and report to the Board. Committees are seeking members with:

- Competence in the Committee sector or practice area,

- Capacity to support the work of the committee
- An interest in collaborating with other consulting engineering professionals to advance the industry.

All Committee members are:

- Located anywhere in BC
- Employed by an ACEC-BC member firm in good standing
- Committed to upholding the purpose and values of the Association including the principles of equity, diversity and inclusion and will work together to ensure the Committee membership reflects the diversity of ACEC-BC

#### How do I apply?

If you or a teammate have questions or are interested in participating on any ACEC-BC Committee please send us an email at [committees@acec-bc.ca](mailto:committees@acec-bc.ca).

Please include your name, a short-form CV (or LinkedIn profile), which committee is of interest, and a short descriptions (1-2 sentences) on why you would like to participate.

*See page 2 for a list of ACEC-BC Committees recruiting for volunteers!*

Committee	New Openings	Member Profile
<b>Resources &amp; Energy</b>	5 – 15	Mid-to-senior sector practitioners including mining/mineral exploration, biology, emergency preparedness and oil & gas. Experience with sector associations and/or regulation is an asset. <i>*This Committee is seeking a new Chair to lead the Committee.</i>
<b>Small Firms Council</b>	5 – 10	Committee members are mid-to-senior leaders from firms with fewer than 50 team members in BC. Committee members will be asked to support the Association to serve the interests of local and small firms in BC. <i>*This Committee is seeking a new Chair to lead the Committee.</i>
<b>Transportation</b>	5 – 15	Mid-to-senior sector practitioner with a focus on ports & marine, airports and other areas of focus. <i>*This Committee is seeking a new Chair to lead the Committee.</i>
<b>Membership Affairs</b>	5 – 10	Broad industry experience and familiarity with ACEC-BC membership. The Committee is interested in finding members with experience in Business Development, Marketing and Communications, as well as technical practice.
<b>BC Hydro Liaison</b>	Up to 5	Senior sector practitioners with direct BC Hydro experience. This Committee will focus on engineering and procurement. Committee members do not necessarily need to be current BC Hydro consultants.
<b>Regional Liaison</b>	Up to 5 (per region)	Practitioners who are resident in the Thompson-Okanagan or Vancouver Island region with experience with regional clients and with an interest in collaborating with other regional consulting engineering firms.
<b>Building Engineering</b>	1 – 3	Senior sector practitioners interested and able to contribute to the development and review of sector practice resources like guidelines and codes. <i>*This Committee is seeking a new Chair to lead the Committee.</i>
<b>Municipal Engineering</b>	1 – 3	Senior sector practitioners with direct experience with BC municipalities. At this time the Committee is seeking one or more members from outside the Lower Mainland.
<b>Business Practices</b>	1 – 3	Mid-to-senior professionals with direct business practice experience including contract review, regulation and project delivery.
<b>Equity, Diversity &amp; Inclusion</b>	1 – 3	Individuals with exposure to business practices that influence equity, team diversity and inclusive working environments.
<b>Metro Vancouver Liaison</b>	1 – 2	Senior practitioners with sector experience and exposure to Metro Vancouver.
<b>TransLink Liaison</b>	1 – 2	Senior practitioners with sector experience and exposure to TransLink.
<b>Ministry of Transportation &amp; Infrastructure Committee-at-Large</b>	5 – 10	Mid-to senior professionals with experience and exposure to the Ministry. <i>*Members of the Ministry Liaison Committee are drawn from this committee as opportunities arise.</i>
